

PRONiXX™
THE ORIGINAL VORTEX MIXER

How to use

- 1: Fill ProMixx™ with favourite liquid.
- 2: Push button to activate cyclone.
- 3: Add scoop or sachet of favourite health supplement.
Use Whey Forward™ products for the perfect mix.

Cleaning & Maintenance

- Replacing batteries (2 × AAA):
Remove bottom rubber plate to insert new batteries.
- Empty ProMixx™ of liquids when not in use. This will prolong the life of the power prop at the base.
- Turn off ProMixx™ as soon as mixing is complete to maximise battery life.
- Cleaning: remove motor prior to washing. **Do not use a scourer or abrasive sponge.**

PROMiXX™

THE ORIGINAL VORTEX MIXER

ProMixx™ Vortex Mixers are manufactured
using BPA free, non-toxic plastic.

Recommended for use with Whey Forward™ elite
health supplements. See website for details on next
generation whey proteins.
